

PROPHECY CONCERNING ISRAEL

December 19, 2010

Given by Prophet/Pastor Paul McGinnis during the Sunday Morning Service
Eagles' Gate Prophetic Ministry Church

The Lord is showing me that there is going to be a consequence in the Jewish year (5771) where falsehood that has been detrimental to them is going to be exposed and brought into the truth. And He's talking to me right now and I haven't been researching this – that is, I haven't been keeping up with this, but I feel like the Lord is telling me right now that the fires in Israel – although they have physical – negative consequence on the land and there's always consequences after a major forest fire that when the rains come, you have major erosion and washing away of the top soil, which is the good soil – the soil that has all the nutrients in it. That's one of the consequences of having major forest fires is what happens when the rains come. But before, we were in the Jewish year 5770 and now we are in 5771. I feel like the Lord is saying that He is going to cover up the damage done in those fires in Israel. Through the intercession of the saints of God and also using the prayers of the Orthodox Jews concerning those fires that the Lord is going to minimize the damage and He's going to mobilize those forces and those resources to mitigate the potential damage that could be caused by the rains. The Lord says: "I'm going to bring the rains that will nourish the ground. And I'm going to make provisions so that nothing is lost from the nutrients, and nothing is lost from the land" And the Lord says: "I will restore the land. Do not fear for the loss of the use of that land or it's productivity because I'm going to capture and retain the nourishment of the land, and I'm going to now move into a new direction for the use of that land that has not been possible up to this point." But the Lord says: "I'm doing a new thing and in this year, just as the forest fires sweeps away the trees and exposes what was in the forest but couldn't be seen, even by satellite, so am I going to wash away, and I'm going to burn away the things that are hidden, the things that have been hindering the people of Israel in that land and that have been an oppression to that people in that land."

The Lord says: "I'm going to begin to bring restoration to the people in such a way that they're strength will be renewed. Their vitality will spring up." The Lord says: "I'm about to quicken my people Israel to a fresh new hope, a fresh new presence in the land. I'm going to refresh them and bring them into a new place of power and anointing. I'm going to restore the warrior spirit in Israel in such a way that even the people will begin to war, but they will realize in a new and fresh way that their strength comes from Me. There have been some that have tapped into that up to now, but just as the fires have captured the attention of all of My people in that great nation that I've set aside for My people," the Lord says: "Now My Holy Spirit is going to begin to flow in each one of them in such a way that a warrior spirit is going to rise up within them, and their love for the land – for some – will be renewed. For others who have not had that love for this land up to this point, I'm going to create in them a love that will compel them to war and look to Me for their sustenance, to look to Me and cry out to Me."

The Lord says: "In this year I'm doing a work in My people that they will begin to cry up to Me in unison. It will be the nation of Israel crying unto Me with one voice. I am going to begin to respond to that cry of My people, because it is going to come up to My Throne Room in ways that it has never done so before. I'm going to begin to move in that land and Truth is going to begin to dominate. Truth in My people's land is going to begin to come to the surface and it will begin to take priority over the lie." The Lord says: "As a result, kingdoms that have existed – including among the Jewish people – the clicks and authority structures that have existed in that land that have not had their heart towards Me..." The Lord says: "I'm about to bring down those authority structures, and replace them with authority structures that will bow the knee to Me." Says the Lord.
